REMARKS/ARGUMENTS

The specification has been amended to correct grammatical errors noted by the Examiner. It is believed that this amendment will be entered.

Claims 2 and 5 have been amended to accurately describe the structure in these claims in order to coordinate directly with the specification. It is believed that these claims now read better for purposes of appeal and for this reason the amendment to these claims should be entered. There has been no additional limitations placed within the claims by this amendment and there has been no deleting of any limitation.

The Commissioner is hereby authorized to charge any additional fees which may be required, or credit any overpayment to account No. 13-4899.

Respectfully submitted,
